1.0 Introduction & Statutory Scope

At MCPA Construction and Supply, we are strictly committed to respecting and safeguarding the personal and sensitive information of our clients, property owners, prospective homeowners, and site visitors. This Privacy Policy governs all personal and property data collected through our headquarters in Plaridel, Bulacan, our jobsite field offices, our official website, client consultation portals, and digital communication channels.

Our data protection practices strictly adhere to the provisions of Republic Act No. 10173, otherwise known as the Data Privacy Act of 2012 (DPA), its Implementing Rules and Regulations (IRR), and all relevant statutory circulars issued by the National Privacy Commission (NPC) of the Philippines.

KEY COMMITMENT: MCPA Construction and Supply never sells, rents, monetizes, or shares client data, property lot details, or architectural plans with unauthorized third-party commercial marketing entities.

2.0 Personal & Property Information We Collect

To properly execute architectural design, civil engineering calculations, municipal building permit applications, and construction financing under our Build Now, Pay Later (BNPL) program, we collect the following classifications of information:

- **Client Identity & Contact:** Full legal name, civil status, spouse name, residential address, contact number, Viber account, official email, and valid government photo ID for contract preparation and notary registration.
- **Property & Lot Title Records:** Certified True Copy of TCT or OCT, Real Property Tax Declaration, Geodetic Lot Plan, Site Topography, and Soil Test Reports required for title lot verification under BNPL, structural foundation engineering, and Municipal Building Permit processing (OBO).
- **Architectural & Build Specs:** Space requirements, lifestyle preferences, room dimensions, electrical fixture locations, aesthetic finish choices, and 3D model revisions for drafting signed and sealed architectural blueprints.
- **Financial & Milestone Records:** Progress billing deposit slips, bank payment confirmation, official receipts, Pag-IBIG (HDMF) member ID, and commercial bank loan documents for step-by-step progress accounting and stage sign-off verification.

3.0 Purpose & Legal Basis of Processing

MCPA Construction and Supply processes personal and property data exclusively for legitimate operational, statutory, and contractual purposes, specifically:

- **Fulfillment of Turnkey Construction Contracts:** Performing structural, civil, architectural, electrical, plumbing, and mechanical works pursuant to the executed Standard Construction Agreement.
- **Regulatory Permit Processing:** Submitting official signed and sealed engineering drawings, zoning clearances, environmental clearances, and fire safety certificates to local government units (LGUs).
- **BNPL Milestone Billing & Audit:** Calculating exact bill of materials (BOM), progress stage verifications, and milestone payments corresponding strictly to actual site completion percentages.
- **15-Year Structural Warranty Administration:** Tracking build records, concrete batch test certificates, steel mill certificates, and warranty service requests over the statutory guarantee period.

4.0 Authorized Third-Party Disclosures & Data Sharing

MCPA Construction and Supply shares client information strictly on a need-to-know basis with trusted regulatory and professional partners:

- Municipal Building Officials (OBO) & LGUs: Official submission of blueprints, structural calculations, and lot ownership proof for Building, Electrical, Sanitary, and Occupancy Permits.
- PRC-Licensed Professional Engineers & Architects: Subcontracted specialists (Geotechnical, Structural, Master Plumber, PECE) who must review, compute, sign, and seal plans under their respective professional regulatory boards.
- Partner Financial Institutions: Commercial banks and Pag-IBIG Fund (HDMF) for client-initiated construction loan applications and staged milestone draw-downs.
- Materials Logistics & Delivery Drivers: Delivery site address and on-site receiver contact number for in-house truck delivery of cement, steel rebar, sand, gravel, and hardware supplies.

5.0 Data Storage Security & Retention Period

- Digital Infrastructure: Client records, consultation briefs, and milestone receipts are encrypted in transit (TLS 1.3) and at rest (AES-256) within secure enterprise cloud databases.
- Physical Blueprints & Documents: Physical copies of signed and sealed blueprints, structural calculations, and notarized contracts are securely archived at our Plaridel Headquarters.
- Statutory Retention Period: Under Article 1723 of the Civil Code of the Philippines, structural engineering build plans and contracts are retained for a minimum of fifteen (15) years from the date of final project turnover.

6.0 Your Rights as a Data Subject under RA 10173

As a valued client of MCPA Construction and Supply, you are fully entitled to all statutory rights under Chapter VIII of the Data Privacy Act of 2012, including: the Right to be Informed, the Right to Access, the Right to Object, the Right to Rectification / Correction, and the Right to File a Complaint with the National Privacy Commission (NPC).
